**Potluck Club--Trouble's Brewing, The (The Potluck Club Book #2): A Novel** Linda Evans Shepherd , Eva Marie Everson

Six women. More problems. New secrets. The Potluck Club is back with a yummy casserole of characters, hilarity, and adventure in Summit View, Colorado!

Club leader Evie continues to find newcomer Lisa Leann too tough to swallow, especially since the former Texan's new advice column causes rumors to rise faster than her famous instant-yeast cinnamon rolls. When one member stirs things up with a new 'do and a new outlook on life, the girls find themselves in a pickle as gossip takes over the group, a long-awaited romance doesn't go as planned, and the past comes back to haunt the club's youngest member.

Seasoned with loads of faith, forgiveness, and friendship, The Potluck Club--Trouble's Brewing gives readers the tasty next serving of friendship fiction that they've hungered for since the debut of this zestful, popular series.

## **From Reader Review Potluck Club--Trouble's Brewing, The (The Potluck Club Book #2): A Novel for online ebook**

### **Carol says**

I enjoyed this book as much as the first one in the series. I am glad that I have all the books to read that are in the series though, because it ends with a sort of cliffhanger that continues into book 3.

---

### **Teri Thompson says**

Oh those Ladies are still up to no good. Although they mostly hurt themselves by their actions I wasn't sure if I would like this one since it looked like of the characters was being pressured into returning to her lying cheating husband. He cheated on her for over 20 years with many women and when she finally leaves and makes a new life everyone including her daughter pushes her to get back together. It really rubbed me the wrong way that no one was seeing her hurt only that her pathetic husband was hurting cause she left. Still angers me. I was afraid to let my mom read this one cause she was also hoping this character wouldn't get back to her husband from the first book. By the end of this one she doesn't get back together but was pressured into counseling with the deadbeat husband and their Pastor. He was no better in that he says how hard it is on the husband since he has a disease (sexual addiction) Really?? Not about how hard she has had it. Still is ticking me off. Anyway I didn't enjoy the rest of the story.

### **Teresa says**

I enjoyed this book better than the first! The setting of the book is kind of weak because of the ladies ages the storyline is plausible. I will say that is the only thing I don't like about these books. The storyline is about a prayer group of what should be "seasoned saints", however these ladies behave worst than a group of women in their twenties! There are only 2 women I consider mature and seasoned and that is Vonnie and Lizzie.

The plot of these books are great! These books are definitely tearjerkers so have your tissue ready! Both authors do an impeccable job setting the plot and pulling you in and I love the cliffhangers at the end of the book making you want to jump right into the next book! So I can't wait for Take the cake! The worst characters in the book are Lisa LeAnn, the gossiper and Evangeline Benson the incredible immature one! Her behavior is truly unbelievable!

Overall, this is an entertaining book, but I do believe the characters age should have been set equal to the storyline, they should be about in their late 20's or early 30's, I guess it is possible a group of women in their 50's could be so immature?

### **Melissa Ortiz says**

Such a good book; such fun to read~

---

**Marie says**

This book picked up right where the first one ended. The story seemed to drag up until 3/4 of the way through then it seemed to pick up the pace as the first book was all the way through.

My frustration with this book was with the editing of lack of proofreading. I would be reading along and in the middle of a sentence a character's name would appear that had nothing to do with anything currently going on. I understand this happening once or twice but there were many of these mistakes throughout the book. I was reading an ebook. So all in all I would give 4 stars for the story and 1 or 2 stars for proofreading. Hoping the third book in the series doesn't have these mistakes!

---

**Tammy Jones says****A good sequel to the first book**

Fell in love with these crazy cast of characters. I had to read this second book to see what happened to them. Can't wait to read the third one!

---

**Patricia M. Marston says****Fun series**

I like how the characters are individuals interweaves with each other. Also, God and current issues are weaved into the story as well. Great read for the summer!

---

**Linda Van Wert says**

I liked this book better than the first, as the plots deepened and became a little more in depth. This is definitely better read after the first book so you know what's going on, though the authors do attempt to give explanations. The book does need some serious editing. People's names are in the middle of sentences, repeated words which make it a little confusing to read at times. Overall a good read and you will have to definitely read the 3rd book in the series to find out what happens to a couple of ladies.

**brittany\_reads says**

Really enjoying this series. Onto the last book!

---

## **Nancy K. Harrell says**

### **Trouble Brewed in the form of poor editing**

I loved the story. I feel as if the members of the PLC are friends of mine. But, the poor editing is very annoying.

---

## **Ashley Snow says**

### **Loving this story!**

Better than the first! I love this story so much. It's a great read with characters that get in your heart and stay there.

---

## **Nenette says**

A good book series like this one leaves the reader wanting for more even though each installment ends in a good note. Even more, when the sequel proves to be better than its predecessor.

Trouble' Brewing is not all about troubles all around. It's more about overcoming these troubles. The ladies of the potluck club know not only to face their problems and trials head on, especially with the full support of the people they are close with, but also to pray for them. Especially moving for me was the part where the people closest to Donna (her dad Vernon, her ex-boyfriend Wade, almost parents Vonnie and Fred, and Pastor Kevin) held an intervention for her.

With the story's easy, refreshing and funny narration, it is not difficult to get across the prayer theme, which in my mind (and spirit) is a very good apostolate that the authors are doing.

I'm on to my third and final installment. Then, I think I'm moving on to the next potluck series afterwards.

---

## **Julie says**

More predictable and churchy than the last one. Still a nice mindless read, but nothing to write home about or rush out and get.

---

## **Jessica says**

Cute but silly & brainless like the first one of the series. Good clean light reading between serious books!

---

## **C. says**

This is the second book in the series and is MUCH better than the first. Maybe I enjoyed it more because I knew the characters, but I think it's because it didn't seem to be quite the gossip fest that the first book was. Either way, it was an enjoyable read and it was nice to see the characters grow.
