# Architectural Drawing and Light Construction

*Philip A. Grau , Edward J. Muller*

**Architectural Drawing and Light Construction** Philip A. Grau , Edward J. Muller

Streamlined and updated for the Eighth Edition, this classic text offers significant flexibility because it covers both manual drafting and computer-aided drafting. Known for its superbly detailed drawings and information on every phase of light residential architectural design and construction- from site design and building programming to mechanical, electrical, and plumbing planning, *Architectural Drawing and Light Construction* also includes building codes and specification writing.
