Do you have someone you admire? A hero. Imagine what it would be like to be leader of a nation, build and live in an ark with animals for 40 days and nights or to be swallowed by a whale? These are the short rhyming stories of Joseph, Noah, and Jonah in the Old Testament and their amazing adventures as they did God's will.

In *Heroes of the Bible: The Stories of Joseph, Noah and Jonah*, children will understand that the young as well as the old can do great things for God if they have trust, courage and faith. Through their stories, children will learn that God used ordinary people to do extraordinary things and they can become heroes too by following God's plans for their lives.

Cute poems about 3 historic biblical men in the Bible and their families. A fun bed time read.

I received this book free from GoodReads Giveaways...

I like this book it was a good book that told the stories of Joesph, Noah, and Jonah. It told the story in short rhyming paragraphs and I thought the author did a good job making it at a level that children would understand. I do wish there was more pictures. Great book though
