Sarah says

This book is meant for every Christian wife who wants to improve her marriage. I found the tone to be uplifting and inspiring, and I enjoyed the wise, honest stories from the author's long marriage.

Bruce Wilkinson teaches that a wife's prayers for her husband are powerful agents of change. I have read many valuable books on praying for your husband, and I found a unique perspective in this book. Wilkinson writes about the wife's "mantle," or her important responsibility to minister to her husband through prayer. As a wife you are gifted and equipped as a helper, just like Eve was for Adam. One of a wife's primary, yet often undervalued, roles of helping is through prayer.

Wilkinson writes, "Her prayers to help her husband are in the very center of God's will! Not only is God pleased, but He responds to her with His help."

This is very encouraging news for a wife who feels trapped in an unhappy marriage. I've been there before, and I know the transformative power of prayer in a difficult marriage. Prayer gives you an action step when nothing else seems to be working.

Wilkinson reveals five secrets behind the wife's mantle, which changed my thinking. I now feel empowered in a new way to invite godly changes into our challenging marriage through the power of prayer.

I love this quote: "Wives are God's human partner to help mature and maximize their husband[s]."

The second half of this book is chock full of prayer prompts for every imaginable area of your marriage and husband's life. You will receive many calls to action in areas you probably haven't considered before. That's what makes this book so transformative, and the best part is it's all biblically based.

I highly recommend this book to all wives, but especially wives struggling in a difficult marriage. There is hope for all our marriages, and the door to that hope is prayer.
