WINTER GARDEN

Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life: the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.

NIGHT ROAD

For eighteen years, Jude Farraday has put her children's needs above her own, and it shows—her twins, Mia and Zach—are bright and happy teenagers. When Lexi Baill moves into their small, close-knit community, no one is more welcoming than Jude. Lexi, a former foster child with a dark past, quickly becomes Mia's best friend. Then Zach falls in love with Lexi and the three become inseparable. Then one hot summer's night one decision will change the course of all their lives. In the blink of an eye, the Farraday family will be torn apart and Lexi will lose everything. In the years that follow, each must face the consequences of that single night and find a way to forget...or the courage to forgive.

HOME FRONT

Like many couples, Michael and Jolene Zarkades have to face the pressures of everyday life—children, careers, bills, chores—even as their twelve-year marriage is falling apart. Then an unexpected deployment sends Jolene deep into harm's way and leaves defense attorney Michael at home, unaccustomed to being a single parent to their two girls. As a mother, it agonizes Jolene to leave her family, but as a soldier she has always understood the true meaning of duty. In her letters home, she paints a rose-colored version of her life on the front lines, shielding her family from the truth. But war will change Jolene in ways that none of them could have foreseen. When tragedy strikes, Michael must face his darkest fear and fight a battle of his own—for everything that matters to his family. At once a profoundly honest look at modern marriage and a dramatic exploration of the toll war takes on an ordinary American family, this is a story of love, loss, heroism, honor, and, ultimately, hope that no reader will soon forget.

Sharon Buckley says

I have read Winter Garden and Night Road. Have not read Home Front yet but will get around to it someday. The author's stories are thought provoking and I definitely enjoyed reading them.

Sharon Adams says

I didn't read this edition - only Winter Garden. I didn't know how to take the wrong one out. Good read but not the intensity of the Nightingale.

Ann Deabay says

I love Kristin Hannah Books and these I enjoyed. I find her to capture growing up in the 70's and feel like I was there.
