This is the second part in the Vampire Affair series and they do need to be read in order.

A compelling, captivating, short story that I could not put down. I read it in one sitting. I appreciated that Mak was facing her own concerns regarding her ethics and making good decisions. More importantly, the lust, longing, and sex were all hot enough to boil steel.

The third episode was supposed to be released today, but so far it's not on Amazon – I'll keep watching and waiting!

[For a brief moment I thought about what if someone saw us. Then that just made me hotter. I had no idea I was into voyeurism until I'd met Jonathan.

A satisfying conclusion, with some hot sex that will leave you wanting to turn on the AC.

Hoping Vivi writes more of Jonathan Devane!

Ange from Cover to Cover Book Blog says

We are still at the writer's convention from the first book when book two starts off. Makayla is still on a mission to get dirt on Jonathan Devane. He is still under a cloak of mystery. The journey continues...

Makayla discovers that she can write erotica. She reads a short story she wrote while at the convention and that got Jonathan's attention. Now the cat and mouse game that was being played was in reverse. Now Jonathan was after "Yvette" (Makayla's alter ego while at the convention).

While they are getting to know each other, Makayla's boss is down her throat for a story. Makayla is having an internal battle over the assignment and the growing passion she is feeling for Jonathan. We have more of

the evil ex plaguing the sexy lovers. Lots more of the hot sexy scenes that left me fanning myself and flipping through the pages as fast as I could!

It's another short read and so amazingly good! I could not put it down and had to rush to part 3. Vivi Anna sucks you in and leaves you panting for more. I highly recommend this series! Give it a 1-click and get ready for a hot and wild ride!

Magen says

The only redeeming feature to this series is the female lead is really funny and strong. The male MC is crazy hot but the story is not flushed out AT ALL. Don't bother with this series.

My Book Addiction and More MBA says

THE VAMPIRE AFFAIR PART TWO, begins where part one left off. Mak is lusting after Jonathan, but there is something about him that she just can't figure out. All Mak knows is that her boss wants a story for the gossip magazine and she wants it now. Mak is undercover and uncovering secrets that are hard to believe.

I enjoyed the conclusion of book two. I was glad we got to here more from Mak and Jonathan. I would recommend you don't read book two unless you read book one. It will be harder to understand if you don't. A good read.
