Vegas, Baby Theodora Taylor

It only took one kiss...

Working two jobs to achieve her dream of moving to New York, Vegas showgirl Sunny Johnson needs to save every penny. So when CEO Cole Benton makes a bottom-line decision to close the revue show she dances in, she has no choice but to confront him for her sake and for the futures of all her friends on the chorus line.

Cole expects to inherit the reins to his family's chain of luxurious hotels and casinos. That is until his grandmother drops a bomb—get married, or say farewell to his inheritance! And the worst part? His grandmother has already decided on the lucky bride—Sunny.

So before his true motives can be revealed, one spontaneous kiss and sizzling-hot chemistry take over as Sunny and Cole fall into each other's arms. But is it now too late to tell Sunny the truth? Could Cole's high-stakes gamble cost him everything, including the woman he is beginning to adore?

Completely enjoyed it!

Brenda says

Started this book this morning about 7 and finished a few minutes ago. I was drawn in from page one and other than getting up for coffee and a quick breakfast, I did not put this book down. I absolutely loved Cole and Sunny. I felt the connection and I felt the heated passion. Excellent read!

Shaquaila says

I really enjoyed this read, yes he pissed me off in the beginning. In the end he couldn't live without her.

Laugh-out-loud good! I loved the way Sunny stood up to Cole after she signed the agreement and made him treat her like a lady, instead of a hooker! And Nora, Cole's grandmother, is hilarious! Lots of surprises in this awesome story.

This is Cole and Sunny's story. Cole is being forced into a relationship by his grandmother who wants him to marry and settle down. She has even picked out the person she wants him to be with which is Sunny. Cole was an cold and had no clue how to have a relationship. Sunny soon warmed him up.

I love TT writing style and so this was another story that I really enjoyed. I love to see these proud cocky

men end up on their knees before the women they realise they cannot live without.

A Good I Read!

Loved the book! Sunny's effect on Cole was so cute. She softened him up a lot. Loved the beast in Cole. Ms. Taylor's sex scenes continue to be some of best I've ever read, hot, hot HOT!!

Loved it

I love everything that Theodora writes. She is one of my favorite interracial romance writers. This book is a must read. Cole and Sunny's journey will keep you locked in til the end.

Shone says

Show girl Sunny Johnson has big dreams to leave Vegas and earn a degree in Dance Pedagogy. When faith steps in and she is made an offer she can refuse. (Is it deal with the devil?) Cole Benton II always gets what he wants. but this time it won't be easy. Love the characters especially Nora the sassy grandmother. Is there a story in the wings for Pru and Max I sure hope so these two characters have to dancing around in Ms. Taylor's head.

Taz Will says

Once into it the story really took off. Sunny was a good fit for Cole even if she didn't really hold firm to anything that she said. The mess with Nora didn't get the blow up I think it warranted but in a way it did make the story more interesting. Read the last story first so the whole summer thing especially August seemed like a repeat. Hopefully Max will have a fresh line to start with.

Paganalexandria says

I actually enjoyed the heroine much more than the hero in this one. I didn't like the fake fiance-ness of this either. That said it still retained some of the Theodora Taylor magic I've come to expect.

An emotionally satisfying story *****

D.M. says

I just love it when I get to read writing that's so deliciously good. The writing flows and soars, keeping you on the edge of your seat, and you can't put the book down! The guy is so hot you're ready to drop your panties! The heroine is amazingly beautiful, strong and takes no prisoners so – love this kind of woman!
