Your Love Is Mine Bella Andre

"It never ceases to amaze me how Bella Andre's books can make you feel so good." 5 stars from Jacky

Flynn Stewart, an award-winning screenwriter, seems to have the perfect Hollywood life. Until his dark past comes crashing back when he learns his long-lost sister has passed away--and he has a six-month-old niece named Ruby. Flynn vows to give the little girl who now means everything to him a better childhood than he or his sister ever had. So when he finds out that Ruby's nanny is trying to sell their story to the press, he takes his niece as far from Hollywood as he can.

One of seven siblings in Bar Harbor, Cassie Sullivan has always been grateful for the love and support of her tight-knit family. Because of them, she had the courage to create a successful candy confection business. So when a friend of her cousin needs a place to stay with his baby for a few weeks, she's happy to offer him her cabin in the woods. But from the first moment she meets Flynn and Ruby, her heart is lost to the gorgeous man and his adorable little girl.

Flynn has never met anyone as cheerful and open as Cassie. Instantly drawn to her, he finds himself telling her things about his past that he's never spoken of to anyone--things that make him certain he could never be worthy of her. Only, Cassie isn't about to let the pair who have stolen her heart go without a fight--using all the light, love, and laughter she can give them. Will the nightmares from Flynn's past continue to haunt him and steal away the joy of a future with Cassie? Or will Cassie's love, and the support of her big family, be powerful enough to help him face his long-buried demons and conquer them at last?

YOUR LOVE IS MINE is part of Bella Andre's New York Times and USA Today #1 bestselling series about The Sullivans. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books, too.
