Eric Renault says

Oh mon dieu j attend la suite avec impatience.

Toujours cette même beauté des dessins et des combats. On croirait vivre l'aventure de ces guerrières fantastiques.

Kassilem says

This volume consists of chapters 144-149. It is also the last volume of the series. It's been quite the journey. I do appreciate that this series did not go on and on for dozens of volumes. Some story-lines can accommodate that but not this one. When I first started the series the artwork was not on par with what I usually set my standard at. However I persisted and am glad I did because the artwork got better and by this volume it was fairly good. The story was good as well, full of action and plot. If you are interested in swordplay and/or high fantasy, I'd recommend trying this series out.

Mike says

Amazing penultimate volume.

Bhavik (Semi Hiatus) says

Perfect ending to an awesome manga!
Would have definitely loved more of this!
Definitely in my top 10 manga + anime!

Peter Barr says

This is an excellent series and I read this in one sitting without a break. The battle lines are drawn and the cast is known at this time. The Claymore are fighting their way through their foes with some interesting twists along the way. I eagerly await Volume 27.

Guillem Martí says

OMG the last page in the last chapter... HYPE!

Karissa says

This book is the 26th volume in the Claymore series, and the second to last in the series. The last book in this series, volume 27, is due to release in October 2015. This book continued in the same vein as the first one; lots and lots of awesome fight scenes with a couple of amazing revelations.

Cassandra and the uber Awakened One continue their battle. Meanwhile Clare and Raki take on Priscilla in a final battle...or is it?

This book picks up where volume 25 left off. Lots and lots of fighting and some excellent action scenes throughout. It's been awhile since I read vol 25, so I found a few of the fighting scenes a bit confusing and hard to follow.

Clare does take some time to reflect about how meeting Raki changed her life and her outlook on things; this was a nice aside. We also get some backstory on how Raki trained with Isley.

The majority of the book is the remaining Claymores trying to kick the stuffing out of Priscilla. There are some crazy twists right at the end of the book, seriously the end...like the last page.

This manga continue to be well drawn. I love watching how Clare has changed over the series.

Overall this is a good addition to this manga series. I can't wait to see how things wrap up in volume 27! I would recommend this series to those who enjoy strong female characters and action packed fantasy manga.

Rachael says

Ermergewd!!!

image:

If I could give this 10 stars I would. I've loved this series all the way through, and as it reaches its fateful conclusion I can't help but be pumped up and intrigued. The Claymore series is famous for dramatic cliffhangers and this volume was no exception, if not one of the biggest cliffhangers and Ermergewd moments in Claymore history. Everyone who was reading this series could expect some sort of outcome similar to the one at the end of this volume. In parting words, all I can say is
(view spoiler)

Johann Molina Velarde says

Un manga espectacular con un inicio un poco flojo, pero el final es un señor final. Como para tener que enviarle un correo para poder quedar en verse, luego uno antes para la confirmación, tener que ir perfumado y bien vestido para verlo. Cuando suceda estrecharle la mano y decirle buenos día estimado señor final. Un manga que no hay pierde y la emoción nunca para de subir a excepción de cuando acaba.

Merve Özcan says

Sonuya WTF!!!! dedirtti. Sonraki say?ya geçmek için (allahtan bekleme gibi sorunum yoktu) kafay? yiyen insanlar oldu?una eminim.

Mandy says

Claymore is a manga about Yoma who pretend to be human in order to kill and eat the humans. The Claymore are the hybrid of the two stronger faster but still human with the ability to slay the Yoma which they do for a price. They travel from village to village slaying Yoma with nothing but the sword on their back using the Yoma abilities but slowly turning into a monster that they hunt. When the time comes a Claymore will send a black card to another claymore to be slain before the Yoma takes over and so they die as a human.

In the 26th Vol the battles continue as the Claymores attempt to take out Priscilla even with the help of the awakened beings they don't seem to be the match. As the battle continues they are pushed to the limits wearing Clare down in the battle as a former 47 she is one of the weakest and just can't keep up with the others. Things may start going in their favor when they destroy Priscilla t last but it's short lived because of her regeneration she's back only this time she's eaten the Abyssal and is adding the awakened to her body. We do catch a glimpse of what Isley told Raki so maybe he will show up in the last book.

I like Clare she's a sword carrying slayer who isn't afraid to die charging in risking her life. She's grown a lot in the last several volumes leading up to the battle in the north. After faking her death along with her fellow claymore's she's returned after seven years to battle the Organization. While she may not be the strongest she's determined and unwilling to give up. She's one of those underdog characters you can't help liking. We've seen a little of Raki having grown up into a man who fights yoma he's been captured by the organization. Clare and Priscilla have been trapped in a ball of flesh locking them both away from the others.

I've seen all of the episodes on Netflix a few years ago actually binge watched them over a long weekend. While it's been a while I don't think the anime has gone this far in the series. I don't remember the girls taking on the organization which is where the story has turned. It's interesting learning that the organization which has been creating claymores for a long time may not be the good guys after all. I love the concept for the Claymore the hybrids created using parts from the monsters that they have been created to fight against the Yoma that they created. The art is great it gives me just enough to create the story in my head as I read each detailed page. This is only my 2nd manga so I don't have a lot to base on but I'm super addicted to them. They are perfect for when I have some downtime or when I feel like reading back to back. I already know that the ending is close as I'm almost done.

Samantha Bustos-Hubeny says

Yup yup I'm screaming.

Kanon says

Norihiro Yagi está consiguiendo que mis emociones estén a flor de piel en estos tomos del final de Claymore. Estoy disfrutando mucho la lectura. Estoy sufriendo lo indecible cada vez que paso página, porque puede ocurrir cualquier cosa. Me encanta que al final de la historia se recuerde a muchos personajes que han ido apareciendo y quedando atrás. Demuestra que Claymore no sólo son Clare y Raki, sino un elenco de grandes personajes que, aunque no todos hayan aparecido durante la mayor parte de la historia, han dejado una profunda huella. Gracias Norihiro por traer de nuevo a Isley en forma de mención y de flashback, gracias por ese vibrante final de tomo. No me lo esperaba, y sin embargo siempre quise que ocurriese así.

Aleja says

THAT LAST PAGE...

Roxana Chiril? says

A beautiful fight, slowly making its way towards the final conclusion - final tricks are revealed, final strategies are attempted. It's a series I might want to revisit sometime.
