## All In: Paying His Way Lane Hart

\*\*\*This is an All In novella, and can be read as a standalone.\*\*\*

One girl.

Too young, too sweet, and too much of a past with my little brother. They share a son.

I shouldn't think twice about Maggie Frasier. When she needs my help though, there's no way I can ignore her and my nephew. They don't have anyone else to turn to since my brother refuses to own up to his responsibility.

But somehow I went from helping her to holding her to loving her.

Now everything has changed, and I want to keep these two in my life, permanently. My brother certainly doesn't give a shit about them, and therein lies the problem.

The truth can only be hidden for so long, and once it's out there's no going back.

No family, no future, and no life with the woman I love.

However, not everything is as it seems. And by the time I realize my mistake, it just might be too late to get her back.

Jordan story.

He is one of four brothers. Jack, Jason and Josh.

He meets Maggie in the store. Total coincidence. She used to date Jason.

Jordan sees how tired and distraught she looks. She has a baby, too.

Jordan with his soft heart tries to help and support them, especially when Maggie told him who is a father.

Yes, she was on the wild side but after her family find out about pregnancy they kick her out.

She doesn't have any support as baby father laughs in her face and left.

Now story gets complicated when Jordan really falls for her.

Will paternity test confirm who is a father? More complicated from now on.

Now have to find out about two other brothers. Already read Jack's

### Kathy M says

Jake is shopping and in line and the line is being held up by a very young girl trying to use coupons, and scrapping through her purse to try and finish her purchase. Jake decides to bail her out, and pay the rest of her bill, so he can checkout faster. He's shocked to discover that it's his little brother's ex girlfriend, Maggie. He's even more surprised that she has a newborn baby with her. Jake puts two and two together, and figures out that it's his brother's child. He finds out that she's living in a horrible area, and not eating well. She's barely surviving. She told Jake's brother about her pregnancy, but he doesn't believe her. Jake steps up to help take care of her and the baby. Although it cost him to lose his relationship with two of his brothers. There is a bizarre twist at the end that I didn't see coming. Although I feel there should have been more justice for Maggie. I really loved this fast paced relationship!

### Carvanz says

This author is known for pushing some boundaries and she does so in this novella about four brothers, one whose girlfriend gets pregnant and is abandoned. When Jordan runs into Maggie, his younger brother's highschool girlfriend with a baby in tow, it doesn't take him long to make the connection. He sets out to help the single mother and try to right the wrongs but as this story unfolds there is so much more going on than what appears on the surface.

This story did make me a bit uncomfortable but I came to the conclusion that if these characters were okay by their past decisions and actions as well as the actions those around them had taken, then I certainly was not going to judge them. It's not necessarily the thing I enjoy reading but I felt the author did a good job of working out the issues. There is also a bit of kink that I could do without but I skimmed over those parts.

The ending was very well thought out and was quite a surprise and was wrapped up with a nice little epilogue. Overall, this was a nice read that may definitely push you out of your comfort zone so if that's

something you like to challenge yourself with then this is definitely the book for you.

I voluntarily read and reviewed an advanced copy of this book. All thoughts and opinions are my own.

Terrific book 7

This is book 7 in the series and can be read as a stand alone too. Characters from previous books are moving throughout the book and are nice to see but reading the previous books are not required to get the story. Jordan (older brother to Jake from bk 5 & 6) runs into the ex girlfriend of his youngest brother Jason and she has a surprise a month old baby. Maggie, Jason's on again off again ex, is frazzled and alone trying her best to care for Camden her month old baby. When Jordan confronts her and asks she tells the truth it is Jason's baby and he doesn't care. Jordan being an honorable man begins to help Maggie with little things like food and baby things. Neither of them had any intention of becoming a thing but the chemistry is undeniable. If only family issues wont tear them apart before they even solidify their relationship. I love this series and this book was no exception. Read cover to cover in one sitting.

## **Jami says**

All of the books in this series are great and this one is no exception. It delivers exactly what you would expect from a Lane Hart book. This one is full of twists, hurt, anger, lies, deceit, love and hope. Some very intense, sensitive issues are addressed, so be prepared for an emotional read.

Maggie is young and in love, but finds herself all alone with a baby. She turns to Jordon her babies uncle for help and finds herself with more than she was looking for.

Jordon steps up to help Maggie when he bumps into her desperate and penniless. He finds himself wanting to be more than just an uncle, but will he be there when all hell breaks loose?

Great writing, fantastic characters. Can be read as a standalone, although I suggest you read the whole series. You can't go wrong with this one.

## **Nora Flood-Houston says**

In the previous book you learn what happened to Jordan, Jason, Josh and Jake's parents. It explains why some of the guys in the family act the way they do but not all. This book was very different from the other books in the series but I didn't love it any less. Jordan runs into Maggie at the grocery store and sees she has a baby. He quickly figures out it's his brother's baby. Jason was her on and off boyfriend for years. Jordan is a great guy and wants to help Maggie because it's the right thing to do. But feeling definitely become involved. There's a twist to the story that I didn't see coming. There are some pretty intense and sensitive issues in this story too. I loved the book! A great read!

## **Sara Oxton says**

All In: Paying his Way by Lane Hart a five-star read that will astound you. This is a stand-alone novella in the Gambling with Love series and what a story, it will keep your heart in your mouth and your throat in your stomach for most of the story. Maggie Frasier is one lucky lady in some ways, and in others she is the unluckiest lady. A chance encounter at the store will change her fate, but can the brother of the man you once loved be the one to save you? The one to show you how love should be? Or will he just be the brother you know you shouldn't have. These brothers all have a story to tell, but will they be the stories we expect? Thank you Lane Hart once again you push boundaries and the norm to show us that life can be great, it's just what you make of it.

By: Lane Hart

LOVE... Can Overcome Anything, If You Let It!

She was my Brother's Girlfriend~ ON & OFF for years...

But he's GONE~ In the Service, & she's ALONE with a child in tow...

Who's is it?!

She says it's his; he says it not!!

Either way, she's ALONE, without SUPPORT, struggling to SURVIVE in the worst area of town, & that could be possibly my Nephew!!

Well, if my D;@< H€@D Brother won't see to things, then I WILL!

It's ONLY after an unfortunate incident that I suddenly SEE just how much she MEANS to me... FOR ME!

I realize I don't want to SAVE her solely for her & my Nephew's Sake, but selflessly for my OWN...

Because, it seems She's the ONE!

Others may interfere, Secrets might OVERWHELM us, Truths just MIGHT Shatter us...

But, come the END of the Day, & ONE way or another, I'm gonna Make her M.I.N.E!

Watch Out, Sweetheart! Because Now, I'm definitely All In... & I'll ensure he's "Paying His Way!"

I was granted an ARC of Lane Hart's "All In: Paying His Way (Gambling With Love Book 7)" via Booksprout; I recommend this book, & the others in the series to others based upon its own merits. All opinions expressed within this review are uniquely my own & freely given!

Until next time... Happy Reading!

### **CS says**

This romance deals mainly with four brothers and how three of them affect her life in a drastic way. It was surprising how Jordan's younger brothers could be so detestable! I really felt for Maggie who started out so sweet, only to be treated poorly by Jason (the youngest brother). In turn Maggie behaves poorly to get back at Jason, and Josh becomes an abuser without Maggie's consent. It becomes kind of icky as Maggie is intimate with three of the four brothers.

She really is a victim and used by Jason and Josh. Thank goodness Jordan falls for Maggie and is able to figure out the truth. Jake is always supportive of Jordan, so it turns out that two of the four brothers are decent men. Not a fan of Maggie's bad choices with being intimate indiscriminately with multiple partners, but I liked the way she took responsibility with her son and did what she could to take care of him.

### **Vicki says**

This book is very short and sweet! We have Maggie who falls for a lowlife and ends up with a baby! Then we have Jordan the brother who wants to make up for his brothers mistakes. What he didn't realise and bank on was falling for Maggie. With the twists and turns this book leads it's a wonderful read! I couldn't put it down till I finished!

### **Rosemary says**

Boy was I surprised at the turn this story took! Sometimes an unknown force brings two people who are destined to be the one together to a place in time where destiny can take its course. I think that is what happened with Jordan and Maggie and maybe his Mother may have had a hand in the two of them finally finding each other. Was the fact that Maggie had a history with one or maybe both of his two younger brothers be a problem? You will find out just what types of problems from Maggie's past these two have to overcome to see if they will find their HEA. Plain and simply, I loved this book!

I was given an ARC in exchange for an honest and totally voluntary review.

### **Rhonda Hicks says**

There was a bedraggled woman holding up the line in grocery store trying to scrape up enough money to pay for her things when Jordan was in a hurry. He was becoming agitated the longer it took and then a baby started screaming on top of it. Jordan couldn't take anymore and just cut to the front of the line and gave the cashier money to cover the bill when the bedraggled woman called him by name. Turned out to be his youngest brother's ex-girlfriend. And she had a new baby?!? Surely his brother would've told him if it were his, right?

Lane Hart has taken a story about four brothers and their different personalities and infused an ex-girlfriend,

a new baby and blended them with secrets from love, jealousy and broken dreams to bring this easy to read story that will keep you enthralled. Some characters were easy to love while others easy to hate. This one will tug at your heart strings.

4 YEARS AGO...

"Mmm-mmm. Best. Cake. Ever," Jason, baby chocolate icing fork. "Why, thank you, Jay," my mother Four boys,

2-3 YRS apart All us take after dad rather mother, who light skin, blonde hair and blue eyes. Jason, Jake, Josh and I have caramel-colored hair and rich, chocolate eyes our father. "I still can't believe those crazy bastards DMV gave you license today. I told your dad bribe them fail you," Mom "I am a great driver!" Jason chorus bullshits. "My now irregular heartbeat begs differ," Dad "It must have stopped beating one too many times after you ran through stop sign way home." He chuckles "Now you boys help your mother clean up." "Trash!" Jake calls "Table!" Josh yells, "Loading," "That leaves you with rinsing, birthday boy." "Hey, I get night off! Besides, I have guest," Jason brought girl home. He made varsity football team sophomore,

riding bench second-string quarterback. "Slacker," Jake, 2ND youngest "Maggie, what exactly do you see our baby brother?" "You know, I actually just got signed starting wide receiver Wildcats..." "Oh, please," Josh, oldest younger brother, groans. He's always had worst case middle child syndrome. Jason's baby who always gets his way. I'm oldest who, our parents love best, and Jake highly paid, professional football player. That leaves Josh official fuck up. "Can you go 5 mins without talking about that shit?" Josh "Leave your brother alone. That's something damn proud of, and he's earned it," dad "Maybe if you had screwed off less and spent more time field, you could've gone pro, too." "Fuck that," Josh dad telling him watch mouth company lady. Josh good, could've gotten football scholarships, but he's stayed effort eating or sleeping. Oh, and jerking off. "The team's looking for few waterboys. I'm sure I could put good word for you," Jake "Enough," dad "Go help your mother. And if I hear any you bitching, you'll be toilet duty for next month." "Good thing I don't live here anymore," I've had own place for years, "I'll scrape food for you this time, but you're gonna owe me. Happy birthday, jackass," I call out Jason. "Thanks for having me over, Mrs. Young." "You're welcome here anytime, sweetie. It's nice finally have another woman around," my mom I'm 25 settling down anytime soon. "Thank you, and dinner was delicious. I wish I knew how cook as well as you. My mom can burn spaghetti," "Oh, well that's shame. I would be happy have some help kitchen whenever you come back visit." "That would be great! It's well-known fact way man's heart through his stomach," There's no better way show someone you love them than cook their favorite food. Preparing food nurtures their body, but provides comfort...well, there's nothing like it." "What's Jason's favorite food? "Oh, Jason's favorite meal four cheese lasagna, but he loses his mind peanut butter cookies and chocolate milk," "Really?" "Yeah, has since he was little boy. And let's see, Jake always needs apple pie and root beer had bad day. Josh likes chicken potpie whenever he's sick, Jordan easiest please. Whatever dessert I make his birthday he'll lie and tell me it's favorite, but I know his favorite blackberry cobbler. The problem only season end summer and fall, his birthday's June. So, I don't get make until August or September." Wow, I had no idea my mom was so intuitive. "You know, I just picked up some blackberries today. So if you want come over tomorrow night, we can make cobbler together, "I would love to," "That's great, Maggie!" "You know, I think you're gonna make one my sons lucky man someday." "One of your sons?" Maggie laughs, "Well, sure. A beautiful girl who can cook like their mother? They'll beat each other bloody for you." The next night, Maggie back over, and her & my mom made me best blackberry cobbler ever. I had no idea it would be last one she would ever bake for me. If so, I probably would have ate 2 slices I had little slower, savored them little longer, and definitely thanked my mother cooking just me because she knows it's my favorite. 2 weeks later, mom and dad were both gone, taken from us before we even got chance say goodbye.

He’s nothing like Jason, I think brutal pounding never end, “Mmm, mmm, mm,” Josh pulls out and slaps my ass cheek. “Thanks for fuck. See, I told Jason you were little slut, and prove it him, we even had bet going. A hundred bucks whether or not I could fuck you tonight. Hold on, let me get picture proof.” Mortified His fingers enter me stretch me open photos snapped. “Nice,”“I can’t wait show everyone these pussy shots. Too bad we didn’t bet blowjobs, because I would love have your magnificent mouth sucking my cock. Maybe next time. Tonight, I’ll just fuck you.” My limbs heavier lead, and barely move them. Josh flips me over expose my breasts him. I watch, unmoving, I can’t actually feel his hands..“I don’t know about you, but I’m so fucking ready go again. Afterwards, I’ll take you home and fuck you bed so many times you won’t be able walk tomorrow. Hell, probably for week,” he lifts legs shoulders. The truck feels like it’s spinning or rocking as he moves above me, So why can’t I feel anything? I ask myself before everything goes dark. Oh my God. The flashback night with Josh more vivid than usual. The next morning, I wake up bed, exhausted and confused like I drank too much, but after that trip down memory lane, There’s no memory what we did whatsoever. Josh promised keep fucking me, I hadn’t wanted be with him anymore but couldn’t leave.

GET PATERNITY TEST SWAB OUT WAY.

THEY MAKE LOVE.

“I think I’ve loved you since night Caleb and police officer showed up door you were hospital.”“I was so fucking worried about you and Camden, and knowing 2 could’ve been hurt or worse...it reminded me night I found out about my parents. It was like nightmare I couldn’t wake up from. The thought losing you or him, even though I had only known you few days, was inconceivable. You’re my family now.”

JORDY GETS PIC TEXT: Underneath image Maggie, being fucked from behind, “Who the fuck is this?” unknown number. I hold phone so tightly hand.

JORDY SENDS TEXT TELL GOT APARTMENT BE READY FRI. SHE'S BEEN LOOKING FOR JOB. SHOWS UP MOVE THEM BOUGHT HER BRAND NEW HONDA CAR. MAGGIE TELLS HIM DOESN'T WANT OR NEED THESE THINGS ONLY HIM. HE WALKS OUT.

JORDY GETS ANOTHER PICK FORWARDS BOTH TYLER HOPING HE CAN COME UP SOMETHING.

All he came up date photos taken, July 5TH last year.

That asshole. They lived together. Their bedrooms beside each other. Everyone's always said look more alike. "What the fuck do you want?" "Did you fuck Maggie?" "Well, yeah. I told you I had. Everyone has—" KNEES STOMACH. "When?" "Years...ago," knee connects nose, "Try again," I looking his phone, My Maggie being photographed he had sex with her. She drunk thought he was Jason. And Josh fucked her anyways. JORDY HAULS JOSH MAGS APARTMENT. "Tell her!" Jordan yells "Camden's awake," "Good. He can finally meet his father!" "Say hello your son, you stupid piece of shit." "Jordan, what's going on?" "Tell her, or so help me God, I will beat you to pulp!" "It was me," "Louder!" "It was me," "I fucked you that night, and you thought I was Jason." "It wasn't Jason?" "The woman lab said DNA test was close, but not all Camden's markers matched Jason's. We're going back this morning, and getting this dipshit tested, but I already know...." Jordan says "I'm so damn sorry, Maggie." "Oh my God," I mutter

"Josh will start paying child support, but I can help get attorney so don't have give him custody. He...he never had your consent. God, Maggie, he practically raped you," Jordan "She wanted—" Josh starts "He's also one who sent pictures," "So, can we go lab and get this over with?" "S-sure," "He drugged me high school," I blurt out. "Wait, who drugged you? Josh?" "I-I don't have proof, I left dance with him my own after I drank what he gave me," "But after we...I couldn't move. I knew what was going on, and watched him...but my body wouldn't move." "You gave her Rohyphnol?" "She was drunk," Josh "No, I wasn't. I didn't have anything drink that night," "Okay, 2 stops make. The lab and police station," Jordan says, "What the fuck?" Josh shrieks. "We don't have to do that," "We should," Jordan "This asshole deserves go prison." "He does, but then he wouldn't be able pay child support," "But if you step one toe out of line, or if I find out there any other girls you did this to, I will kick your ass and drag you police station," "Mom and dad would be so fucking ashamed you right now." Josh is Camden's father. Jordan drops brother off his townhouse without word,

"Pack your shit," "You're moving back with me," "I don't know if that's good idea," "I mean, things have been—" "Horrible," "Everything has been horrible without you. I've missed you so much," "I've missed you, too," "But we've been up and down since we met. Maybe...maybe we moving too quickly" "I don't want slow down," Jordan says, "You 2 belong with me, and I'm sorry I didn't believe you and that my brother did that you...So, please, I'm begging you move in with me, permanently." "Say yes, Maggie, I promise I'll never hurt you again," "Yes," "Thank God," "This time will be different," "Just that I hope there's happily ever after," "Oh, there will definitely be happily ever after,"

Jordan's my knight shining armor. A hero darkness. And for some reason, he wants treat me like his queen

and my son like prince.

#### EPILOGUE:

“Happy birthday to you! Happy birthday, dear Camden! Happy Birthday to you!”“Blow out your candle, buddy,” Jordan tells Camden, “You can do it, sweetie,” Camden’s finally able blow out fire. “Yay!” we all cheer and clap, causes him clap too while bouncing up and down. I push plate toward him high chair. “Dig in, little man,” Jake, Camden’s favorite uncle says Addy snaps pictures for us. Over last year, Josh child support payments religiously, Jordan and I putting college fund Camden. The 3 of us have everything need without it and are happier words can describe.

“I can’t believe he’s already one,” Jordan “Walking, eating real food. It seems like just other day I was waking up hold him and feed him bottles. Is it weird that I miss him being so little?” I whisper ear “You just miss breastfeeding,”“Well, that too,”“But don’t you think Camden needs little brother or sister?”“Soon,” Jordan Camden’s father all forms but biologically, but I know wants son or daughter together.

“Really?”“Very soon, because I’m pregnant.”“We’re having a baby!?”“Yes,” I confirm, everyone hoots and hollers, making me giggle. “Did you hear that, buddy?” he asks Camden, who’s poking finger cupcake. “You’re gonna have baby brother or sister.”“Bay-bee,” Camden echoes, we all cheer again, which makes him cackle with glee. “You have no idea how happy I am,”

“But now you’ve outdone my surprise.”“Your surprise?” he grabs cupcake offers me. “Thanks,” something shiny center catches my eye. I realize...it’s diamond ring. “O
