### **rejie says**

I would've given it 5 star if there wasn't too much inner monologue.

This was one of the first books I ever read on Wattpad and it's one of my favourites. I was obsessed with this book back when I first read it and it inspired me to start writing myself. Although I haven't read it in years, it's one of the most memorable books I've read on Wattpad.

### **Martieloyow22 says**

Guys where do you read this here ??sorry i'm just new here :))

---

### **Jessie says**

Thank God no drama or annoying main characters! Love it!

---

### **Khushi says**

Short, sweet and dandy. Oh and not forgetting the sass
