**Favorite Christmas Cookies** Ruth Cardello , Nina Bruhns , Donna Fasano , Rebecca York , Helen Scott Taylor , Patrice Wilton , Mona Risk , Annie Jones , more... Alicia Street , Mimi Barbour ...less  
A book full of delicious cookie recipes to share with the family this Christmas!

In this book you'll find favorite cookies of the heroes and heroines in the Ten Christmas Brides romance-novel boxed set. Some are the treats our characters remember fondly from their childhoods. Others are the ones they enjoy today—or make to give as gifts. Here you'll find everything from Almond Crescents, Coffee Pecan Delights, and Swedish Teacake Cookies to Rocks, Butterscotch Brownies and Scottish Shortbread. And each recipe comes with a note explaining how it fits into the author's story, so you'll have a little more insight into her characters and plot.

The recipes are the authors' gifts to you this holiday season. Enjoy these special goodies and have a wonderful Christmas. Best wishes from the authors of Ten Christmas Brides!

# **From Reader Review Favorite Christmas Cookies for online ebook**

## **Kay Salvador says**

Definitely going to try some of these recipes! :)

---

## **Eileen Carter says**

### **Lots of yummy cookie recipes**

This book has some delicious recipes for cookies. But be forewarned then are not easy to prep cookies, some require a little more prep and expertise in making.

---

## **vicki zimmerman says**

### **Odd cook book, or odd romance?**

Either this was the oddest cookbook I have ever read, or the oddest romance. Generally, when I download a book from the category of 'romance', I dont get a cookbook. Then again, I generally dont download a cookbook for an afternoon relaxing read. Apparently, with this one book, I did both!

Not much of a romance at all, and the cookies didnt sound new, innovative, or worth the time and trouble to make, that they sound like they would be.

So, for me, this book was a real letdown, all the way around.

## **Belinda says**

4 stars - Free Ebook - yummiie yummiie love this book full of delicious cookies ?

---

## **Shelle Perry says**

It features recipes as shared by the characters in each of the stories, with a small introduction for each on how they fit in. Not only do I want to spend time in the kitchen trying out the recipes, but I want to read the stories as well. Recipes like Scottish Shortbread, Almond Chews, Rocky Road Treats.

### **Cookies, cookies cookies**

I love this it's so fun to have the recipes from cookies we have read about in other books. Cant wait to try them

---

### **Solfreedom says**

**All these wonderful recipes make me want to read the books!**

I love cookbooks, so when I saw this one, even though I had not read the books, it intrigued me. I am so glad I got this, because not only are the recipes lovely, now I want to read the books that brought them out.

The recipes are easy to follow and the products that they make are scrumptious. The Scottish Shortbread are so light and crunchy!

Photos are a suggestion, as they inspire confidence in the finished product.

Thanks for the recipes!

#### **One recipe**

Bogus just trying to sell books. That's no way to right a book. Hope we can get rid of it.

---

### **Wanda Hartzenberg says**

Ok so plenty of the ingredients in this book is not sold in SA with the brand name supplied here.

So I did not actually try to make any of these although they did sound mouth watering.

I bake a lot so I can spot a good easy recipe a mile off. These are all good and easy.

But the book should have photos in it of the end product.. I bake with my eyes first.

Still, not a bad book.. AND it is still free on Amazon so go try it yourself.

### **TheGeekyBlogger says**

Read for Fun (Kindle Freebie)

Overall Rating: 4.00

Cookie Rating: 4.00

**Quick Thoughts:** There is a great variety of cookies in this book and I loved how the authors drew parallels to the characters in their books. I will be trying the Hermits and Cornflake Macaroons submitted by Annie Jones and Snowball Crunches by Mimi Barbour.

## **Part of 25 Novellas for Christmas 2016**

---

### **Cindy says**

It's always fun to find new cookie recipes to try at Christmas and this book did not disappoint! Each author from the Ten Christmas Brides books gave a short note how the cookie fits into their book. Then they follow up with the recipe.

There is a excellent variety of cookies in this book! Each recipe was written with easy to follow directions. Photos of the finished cookies would have been a nice addition to the book.

I bookmarked several recipes that I plan on trying. And I'm sure some will become family favorites. If you like to bake Christmas cookies, this is a must have book!

### **John Shrek Walters says**

☼????? 5 stars ?

Title:

Good or Naughty, who doesn t like cookies?!!!!

I actually finished this book before Christmas (somewhere around the 13th), it s Cookies ! ! ! ! Who doesn t like cookies? You need to find that person a doctor, there s obviously something wrong with them.

I finished the book and because it was the Holidays, I just had to do some taste testing. Yes, I know I m going to go on another diet next year, but this is now! Trust me when I say that you ll be able to find at least a handful of favorites to choose from. I did.

I hope that everyone had a wonderful end of year Holiday Season!

Live life,  
John Shrek Walters

### **Linda Martin says**

**recipes with a story reference but no pictures of the cookie.**

There are some interesting cookie recipes but not being able to see what the cookie will look like when completed makes a difference.

---

**Candace says**

good recipes!
