# From Reader Review Frozen Olaf's Night Before Christmas Book & CD for online ebook

## Cori says

Humorous, whimsical.... Delightful!

---

## R. says

Another new Christmas book for our advent reading this year. This book starts off similar to the famous Christmas story by the similar title, but it changes to fit the narrator (Olaf) and how he might see things for a *Frozen* Christmas. The story still rhymes, and the story is still simple for small children. The overall content and meaning is much the same. Still, enough has been changed that it doesn't feel like just the same old thing and kids who love *Frozen* especially get a kick out of it. As a bonus, this book came with a read-along CD that Olaf is supposed to narrate as he tells this story. We haven't listened to it yet, but it's on the list for later this week already.

---

## Kristen says

This was such a cute and fun book!! The book is written to the "Night Before Christmas" rhyme, but it is changed up and told by Olaf! There are a several references to the movie. It was so cute. Anna, Elsa, and Kristoff even make an appearance. This is a must read for all Frozen lovers!

But even if you don't love Frozen (or Olaf), it's still a really fun way to mix up The Night Before Christmas. He still meets Santa and sees the reindeer and hears the traditional callings from Santa (calling the reindeer and wishing everyone a Merry Christmas)

Brooklyn has always seemed to like Olaf, but I think I discovered this week that it's because he's a snowman... and she loves snowmen, just like Mommy!

---

## Courtney says

### Excellent

It was a wonderful change up to such a classic tale. There was enough twist to keep things interesting, but the overall rhyme was kept so that everyone who enjoyed the original tale would like this one as well. Well done.

---

## Victoria says

If your kids are Frozen fans, run...don't walk...to get this book. Olaf's version of this timeless classic tale will delight young and not-so-young alike.

---

### **Jeremy says**

The CD was not included.

Kate and I laughed at the last line of the "poem" on the back:  
It's the night before Christmas,  
and all through the house  
not a creature is stirring . . .  
Then a mysterious noise wakes Olaf.

---

### **Katherine says**

With a story cd voiced by Josh Gad, this was lots of fun!

---

### **Morgan Ashley says**

Incredibly adorable. Read this to my sister on Christmas Eve. I believe this may become a new family tradition...

---

### **Galaxy Adventurer says**

This was pretty cute! Then again anything with Olaf is cute X)

---

### **Angieleigh says**

Olaf is probably my favoritest secondary character in all of the Disney kingdom. He is just so cheerful!

This is a slightly altered version of The Night Before Christmas with Olaf telling the story and interjecting people of Arendelle, pondering why there are seven Svens flying in the air, why Kristoff suddenly gained a lot of weight, etc.

Truly a hilarious little book that I personally feel can be read at any time, because, Olaf. Enough said!

By the way, did you know he likes warm hugs?

---

## **Samantha Bartley says**

Okay, so I know what you're thinking.

Sam again, acting five instead of twenty one. Believe me, I know better than anyone I prefer living as a child than an adult. So I shouldn't have been surprised when I was given this book for Christmas this year. Part gag gift, the other part that it was a Frozen book, I was looking forward to reading through it, and I have to say, it was adorable.

This is a great book for young (and young at heart) readers who love Olaf and want a Frozen themed version of the original Night Before Christmas story. I wish it would have been a bit longer, but it was a very cute, funny story. I absolutely loved the illustrations as well. There was so much detail in the artwork that stood out to me.

This may be a new tradition in my household, to read this book on Christmas Eve. Cause just like the old crew from Arendelle said, "doesn't matter where we are if you're there with me. Cause when we're together it's my favorite place to be."

Merry Christmas, everyone.

---

## **Candice says**

cute frozen themed Christmas story

---

## **Lauren Kramer says**

Everyone's favorite snowman is back! In Olaf's Night Before Christmas by Jessica Julius, the reader is once again reunited with lovable Olaf. The story begins just like the Christmas classic, but by page two there is a twist to the tale.

Santa is coming to Arendelle! Elsa and Anna are already fast asleep. Olaf is working hard on counting his sheep. Suddenly, a noise causes him to awaken quick. He cannot believe his icicle eye. It's jolly old St. Nick!

Will Olaf and Santa become the best of friends? You will have to read the story to see how it ends!

I absolutely love this book! Julius does an amazing job of changing a time honored Christmas story staple into a modern tale with a Frozen twist. I especially love that the story is told from Olaf's point of view. His innocence is reminiscent of my own childhood Christmas memories.

Olga T. Mosqueda's illustrations are whimsical and enchanting. I love that all of Santa's reindeer look like Sven! Additionally, I like how each main character from Frozen has his/her own stocking that is decorated to resemble his/her clothing (or appearance) from the movie.

This book will delight readers of all ages and makes the perfect Christmas gift. There is also a CD included in which Olaf himself reads the story. Children can follow along with Olaf and discover the magic of Santa

and Christmas together.

### **MKay says**

Read this to my granddaughter this weekend. Very cute!!

---

### **Ro Menendez says**

This is Frozen's version of the classic poem 'Twas the Night Before Christmas, where Olaf takes the place of the spying dad in the original story. It is filled with humor as Olaf wonders about the decorations in the castle, the mysterious stranger and his big bag of presents. When the inevitable encounter with the strange man dressed in red and Olaf occurs, we learn that one of the most valuable Christmas gifts is kindness and friendship.
