**Kakegurui: Compulsive Gambler, Vol. 3** Homura Kawamoto , Toru Naomura (Illustrator)

Enduring the "Big Debt Settlement Meeting" together may have deepened the bond between Yumeko and Mary, but in this academy, friendships tend to be fragile. Having tasted victory, the pair suddenly find themselves prime targets. In the case of Yumeko, that would be the eyepatch-wearing Midari Ikishima. And just who's got Mary in the crosshairs...? In this third volume of the story about an academy filled with beautiful women, the concepts of good and evil are turned on their heads!

## From Reader Review Kakegurui: Compulsive Gambler, Vol. 3 for online ebook

### Shannon says

[the Russian roulette guns and one of them potentially getting murdered (hide spoiler)]

---

### Alexis U says

Kept me riveted the whole time. The stakes keep getting higher. Every game reveals new nuance to the characters' personalities. I'm really enjoying all of it.

---

### Elizabeth says

Volume 3 focuses primarily on Midari, who lusts after Yumeko due to the belief that Yumeko will help her satisfy her death wish. (Of course, Yumeko refuses to do such a thing, which only makes Midari more crazy for her.) Midari thinks of Yumeko as her soulmate, but ... that's not quite right ... is it?

I'm enjoying seeing Yumeko slowly work her way through the interesting cast of characters on the student council. Half the fun comes from the fact that this is a totally unrealistic setting with the most ridiculously unrealistic characters. The "good" protagonist in a gambling addict with something of a moral compass. This series is downright wild, and some will be put off by that, for certain. But I'm just enjoying the ride.

---

### Sarah Holl says

??

---

### Shannon says

2.5 because Midari is annoying.

---

### Marianna Rainolter says

Un volume davvero adrenalinico perché infatti Yumeko vuole sfidare il consiglio studentesco ma è fermata dalla pazza Ikishima che la sfida ad un gioco dove si potrà rischiare la vita. Sukui, (povero) compagno di classe e alleato di Yumeko, sarà il mazziere della loro sfida ma la tensione del suo ruolo sarà di aiuto o di intralcio alla ragazza? Mary invece incontra la pericolosa presidentessa del consiglio e anche tramite i racconti di Ikishima scopriamo la sua pericolosità e il suo essere senza scrupoli e ciò mi porta a desiderare al

più presto un confronto tra lei e la nostra Yumeko! Non c'è una pausa e quando tiri un sospiro ecco che succede qualcos'altro. La sfida è molto intensa e il personaggio di Ikishima è molto particolare e la sua contrapposizione con Yumeko diventa evidente man mano che la storia procede per quanto inizialmente le due sembrano molto simili. I disegni qui sono fantastici perché rappresentano bene la follia di Ikishima e mi piace molto come per Yumeko si passi da essere allegra e spensierata a mostrare anche lei con quel barlume di follia che ormai conosciamo bene e riusciamo anche ad apprezzare in qualche modo

### **Emleigh says**

Guys, this manga/anime/live-action show is so lit.

---

### **Pam (The Girl Who Cried Books) says**

This is easily one of my top favorite manga of all time. It's fast-paced, psychological and mindblowing. I couldn't stop reading because of the cliffhangers!

Note: I just watched the first episode of the anime adaptation and omigod it's so good. It still lacks a bit of the whole craziness of the manga but it still captured the exhilaration brought about by gambling.

Ugh! Can't wait for the next chapter and episode!

---

### **Alisha Tarran says**

So, the Big Debt Settlement Meeting is over and Mary has her status back, will she hold a grudge against her bullies? You bet your ass she will. But that's just how the academy works really, isn't it? I've actually ended up really liking Mary and I was kind of hoping she and Yumeko would team up together but I'm out of luck it seems!

This volume we get some interesting tidbits about Yumeko and she is definitely coming for the Student Council President....unfortunately on her way she gets cornered by the crazy Student Council Beautification chair woman. Ikishima. Which means it's time to play, and explain a new card game....but with a deadly twist. I genuinely feel like I could become quite the card shark thanks to this series. This is a seriously high stakes volume, and Suzui ends up featuring a lot which was interesting.

Meanwhile Mary has a cosy chat with the Student Council President, and refuses an interesting offer. I'm so intrigued by Mary, like I was prepared to hate her but now I'm rooting for her and I'm really curious to know more about her and see if she teams up with the others and see what her end game is!

Yumeko pulls off another brilliant and intelligent move. I love having the games and the cheats and strategy to each game explained. It's done so well and is a nice addition. The art is detailed and gorgeous and the characters get so ugly when they gamble, it's a brilliant touch.

The story is moving forward at a steady pace, we know the characters. We know how the academy works, and we're seeing some unrest from Mary. One might even say rebellion. Yumeko is quite determined to go

up against the Student Council President and she's still a bit of a mystery. The volume builds up the tension and switches between the two scenes that while both incredibly tense, are tense for different reasons.

Will she accept the offer? Won't she? What happens if she doesn't? Will she win? Will she lose? Is she really going to die? The last volume proved that anything can happen and even our favourite won't always win, which set up a nice tension for this volume in particular. I was genuinely on the edge of my seat.

---

### **Kris says**

Definitely one of my fave manga

---

### **Julieta Belmonte says**

Esto se pone mejor con cada capítulo que leo. Es adictivo al mango pero todavía me sigue faltando esa situación que lo cambie todo.

Y COOOOOMO LAS SHIPPEO POR FA VOR

---

### **Ally Hibbard says**

This is the third volume in the series, and while it was more interesting to read than the first two volumes it still fell flat for me. Also some of the explanations behind who won and what were happening were really confusing. This book did at least keep me interested until the end with the suspense bit and putting life or death into the scenario of who wins the game, but I don't think I'll be bothering with the rest of the series.

---

### **Kat ? says**

Damn this girl is literally getting off on pain and death.

---

### **Jane Manbavaran says**

This manga is the weirdest and craziest one I have ever read. I love it!

---

### **Rahul Balaggan says**

#### **Intense, nothing more to say**

The only word to describe this Volume is intense. I picked it up planning on finishing one chapter. It was not to long later till I realized I had finished the whole book. Every minute spent reading this volume was mad

worthwhile by the cliffhangers at the end of every chapter, and the general smooth flow of the book. You will also get to read the most intense variation of a game of Russian Roulette every to be described by the printed word.
