Overdosed Off A Hood Boy's Love Tay Mo'Nae

Growing up with an abusive father and absent mother, forced Lyrica to learn to survive. Her best friend, Arnez, provided some protection but when he leaves for college, Lyrica quickly realized she is on her own. When her living situation becomes too much to bare, she seeks an escape in more ways than one.

Disconnected from everything and everyone she knows Lyrica turns to drugs to help her cope.

When Arnez returns home from college his mind is on one thing, finding Lyrica. Not knowing what happened to her has always plagued his mind. When he finally finds Lyrica will he be acceptive of her new lifestyle or will he turn his back on her like everyone else?

There's a snake close to home that will do anything to keep Arnez and Lyrica separated. Will they be able to figure it out before it's too late or has too much happened for them to rekindle their past. Arnez was always able to protect Lyrica but can he save her from herself?

Angela Taylor says

Omg

This series is gonna be lit. My baby lyric is going through a lot. Dro needs to drop dead or get his karma like a mug. My baby Lena I hope everything comes out ok with her. I can't wait to read book 2. Patting my feet while sipping on Pepsi and eating popcorn

Katrina Anderson says

???

My heart breaks reading this. The characters have so much going on with them, well Lena and Lyrica do and it's crazy how their lives have been. Hoping things get better for them in part 2. This is a great read.

Shamear Owens says

Omg loved it!!!!!!

Omg this is the first book I read by Tay mo'nae and Babbitt I must have been living under a rock! I was hooked from beginning to end! First off I hate dro and he gotta go. Poor lyrical just all messed up in the head. I can't wait for her to finally kick her habit and get her life back on track. If it wasn't for snake behind she would be good. I swear I knew deep down who Wayne true identity was. Mannnn I can't wait for book 2 and def gotta read more work by Tay mo'nae because I been missing out.

Santeja Shannon says

Great Book!!

I've read all of Tay Monae's books and this one is definitely different from all the rest. I really feel sorry for Lyrica because she's been through so much. I really hope that she gets it together! I love Arnez and how devoted he is to Lyrica and the fact that he still wants to be with despite everything that's happened. I hate Dro and I hope he doesn't make it past book 2!! Can't wait to see what's in store for us in part 2!!

Siobhan Graham says

Great book

I didn't expect anything less from Taylor, great book. I feel bad for Lyrica she had it rough growing up at least Arnez was there but he was confused with his feeling for her. I'm glad that she had Lena but Lena couldn't help her break that drug habit. And that Dro was no good feeding her the drug to keep her liking him. He wasn't no friend to Arnez lying to him. I hope that Rome can forgive Lena they made a good couple let's see what that Viper person done did can't wait for part 2

Lasandra King says

So sad but excellent

Man I tell I wanted to cry for Lyrica because she has been dealt a bad hand. So sad ?. I love Arnez for her. In hope they get it together. Rome and Lena...I'm rooting for them. BTW DRO NEEDS TO JUST DIE...KILL HIM OFF BAD. Awesome book. Loved it ❤️❤️❤️ can't wait for part 2

Tanikqua Simmons says

Banger must read

Lyrica why can't she get together and see that dro using her stop being so naive baby and Shanae she so aggy Lena though I love her ... I can definitely see Tay evolving in her writing because baby this book really brought emotions out of me keep killing it sis

tanessia ford says

Lyrica

I've never read a book that made me so mad I didn't want to finish it. But it was so good I had to know what was going to happen !! Lyrica had me hot! I really need her to start thinking for real! Take charge! Look at Lena! Shanae needs her behind kicked one good time smh! She be doing the most. For has got to go! Jealous behind. Keeping my fingers crossed for part 2. Outstanding

Shannon Jones says

Real Life Situations!!!!

Tay Mo'Nae.....I swear my pressure was up through this whole book. Dro is a straight snake and I can't wait until he gets his. Lyrica had me all the way in my feelings. I felt so bad for her the entire time. She didn't deserve any of what happened to her but that's the way things happen sometimes. Shanae....I have no words for her trifling behind. Rome and Lena got me all excited. I can't wait to see how their relationship plays out if they get rid of Viper. 9/23 can't get here fast enough.

A MUST READ

Grabbed my attention from the first page and I couldn't put it down....a page-turner. This book had me so emotional it's so deep. Lyrical, has endured so much at such a young age. Mother addicted and ran off, abusive father used her as a punching bag. The one sable person in her life leaves her, so she feels alone and gives up. So love Arnez and how he's always loved Lyrica. Even though, she's became addicted to forget and escape what she'd been through, he still loves her. I can't wait for Dro, Shanae and Viper to get what they deserve. Glad Lena has Rome, cause she's going to need him. Hopefully, Lyrica is alright and Lena survive Viper. Can't wait to see how it all unfolds in the next installment. Amazing job Tay Mo'Nae.

Book junkie💋 says

???????????

I almost stopped reading this, I dont like when someone never catches a break. I'm glad I kept reading though. It's sucks that things didn't get better for Lyrica. I mean this girl just couldn't get herself together ????? I was happy she at least had Arnez, he was looking out for her. I don't like Dro or Shanae they both are pathetic ? I hope everything is ok with Lena.

Tenika says

What a mess!!!

I just want to chin check Dro and Shanae with a razor blade. They have to be the most hated characters in this book. Dro is so Jealous of Arnez is ridiculous Lyrica and Arnez would stop playing and get to together fr fr. Lyrica needs to stop letting Dro get into her head like that. It all started with her no good a\$\$ daddy. Her daddy and Dro are alike in in different ways. I hope Arnez beat the breaks off Dro . Shanae needs to realize that Arnez ain't checking for you no more. She ought to go back to LA where Dro found her. Now that Arnez knows where Lyrica mama is she needs to go to rehab with her. I guess now Viper has changed his name to Wayne he's a different person now. Lena should put the brakes on the job Rome is offering her that going to be a conflict of interest.

Michele says

Damn, damn damn

First, your writing skills are growing tremendously. i have not been disappointed in any of your books to date. You did that. Please let Dro get his and let Arnez hand deliver it. Viper sounds like he treated her like crap and acted like a monster to her, he needs to get got also. I like Lena and Rome together. Lyrica will pull

through but shes not ready to meet her mom and i hope her dad doesn't make another appearance, i really disliked him. Ready for part 2.

Samantha Avery says

Whyyyy

I have never prayed so much for a character in a book. This girl can't get a brake. Tay did a great job with lyrical character take through her life without being overly dramatic. It was great group of characters I love lena and Rome relationship. Arnez made me mad at the end. She uses drug when she stressed and you keep putting her in stressful situations. I can't wait for part two.

Shamone Lake says

??

This story is really deep and deals with real life situations. Lyrics can't catch a break. I hope she can beat this and she's ok. Dro needs to die!! I'm so over him. I love Arnez but he needs to look out for lyrical more and be the best friend she needs. I just love all of your books and I can't wait for part 2!!
