The 8th Habit Personal Workbook: Strategies to Take You from Effectiveness to Greatness

Stephen R. Covey

The 8th Habit Personal Workbook: Strategies to Take You from Effectiveness to Greatness Stephen R. Covey

From Stephen R. Covey, bestselling author of *The 8th Habit: From Effectiveness to Greatness*, comes the accompanying personal workbook that will help you further realize the power of this new habit. The world has changed dramatically since Covey's classic *The 7 Habits of Highly Effective People* was published. The challenges we all face in our relationships, families, professional lives and communities are of an entirely new order of magnitude. In order to thrive in what Covey calls the new Knowledge Worker Age, we need to build on and move beyond effectiveness -- to greatness. Accessing the higher reaches of human genius and motivation in today's reality requires a whole new habit.

The questionnaires, tests, self-assessments, and other exercises in this workbook provide a hands-on approach to developing the mind-set, skill-set and tool-set for achieving greatness in the Knowledge Worker Age. The 8th Habit will transform the way you think about yourself and your purpose in life, about your organization and about humankind.

Erotic Horizon says

The 8th Habit Personal Workbook: Strategies to Take You from Effectiveness to Greatness by Stephen R. Covey (2006)

Aruna Kumar Gadepalli says

This book to those who read 8th Habit by the author, as the title suggests this is a work book.

Anisa says

recommended strongly by my mom

Cheryl says

I love Stephen Covey books! I need to just keep them on hand as reminders.

Joel says

I haven't read the 7 habits yet, but the 8th habit is a good read. Inspiring, if a bit long-winded toward the end

Chris says

This book is Covey at his BEST. The density of wisdom in this book is amazing. It's definitely worth your time.

Riri Azizah Chairiani says

Bab 1 bercerita tentang seorang dosen yang membuka bank kredit untuk rakyat miskin di Bangladesh

Surya Winata says

stephen covey memang mantap...buku ini sangat membantu untuk mempertajam apa yang menjadi tujuan hidup manusia..bukan sekedar efektif, tapi mencapai keagungan, yaitu saat kita mencapai hal untuk apa kita ada di muka bumi ini dan bukan sekedar menjadi produk lingkungan..
bahasanya di beberapa bagian agak berat, tapi very inspired me!!layak dibaca n dimiliki..
