## The Love of an East Atlanta Boss A'Zayler

Sonic Red is the young victor that has spent his entire life rebelling, battling the trenches and obstacles that have been thrown his way, whether they're from the streets, his job or the many women that he enjoys entertaining.

Sweet talk and flirtatious gestures, paired with the hardness of his body and the heaviness of his pockets, has been a gift from the beginning. Swooning any and every female counterpart that crosses his path, known around town as one of the calmest yet most sought after men, Sonic uses this to his advantage.

Having been referred to as withdrawn and emotionally detached, Sonic Red is anything but. With no family and very little friends, there's only one thing in the world that occupies the softest part of his heart, Jet Limits.

When fire and ruthlessness finds its way out of the ghetto, you get Jet. Jet Limits, is an around the way girl that's spent her entire life in the hood. With a love for nothing but art and her tattoo gun, she leads a pretty secluded life. Having never met a man that's interesting enough to take her mind off of her money, Jet Limits is caught off guard by the handsome young champion that's becoming her main focus.

Not necessarily afraid to love, just not really interested, Jet Limits is a little opposed to giving Sonic a chance. Avoiding him was her method of solitude. Little did she know, she was dealing with a conqueror. A man that wasn't accustomed to losing, one who's job was centered on facing challenges and beating them.

The only man that would remain standing, even after her final blow.

What will happen when the infamous Sonic Red's toughest opponent and most strenuous fight yet becomes the little street girl with the stone heart? Find out in this intense, passionate, drama filled fight for love.

# **From Reader Review The Love of an East Atlanta Boss for online ebook**

**Marcia Richard says**

**Great read**

Aside from a few grammatical errors (like most of these African-American urban reads), it was well-written and suspenseful. It held your attention. Although it dragged at times, it was a good read overall. Didn't really like the ending; seemed too abrupt, like the author couldn't wait to just be finished with the book.

**Aciandra Ivey says**

**A'Zayler you never let me down!!!**

A'Zayler you never let me down!!! The connection you have with you characters are amazing. I love Sonic & Jet together... I got a feeling her boyfriend is Trouble. I also love Sonic and Esso friendship... I need part 2 ASAP!!! Great storyline!!

---

**BookPlugMegz says**

**They're made for each other!**

Good story! Not a lot drama but keeps you interested. Whatever is going on I hope it can be explained. Can't wait for part two. This is my first time reading something from A'Zayler but it did not disappoint at all.

---

**Shaunphoo says**

**Loved it!**

This was good! Sonic and Jet are made for each other....I love how he can be so chill are respectful with her and switch ready to off someone with a out warning...I hope Essco and the chic for the spa get together! Ready for part 2

**Nikki says**

**WELL WRITTEN 5 STAR READ!**

Kudos to the author! Everything I enjoy when reading a really good book, was evident in this story. There were no clumsy sentences or clunky dialogue. The author's writing just flowed naturally. I really enjoyed the

development of the two main characters' relationship. Because it didn't appear forced, everything flowed at a realistic pace. The story developed in an organic way that was interesting and held my attention. I also loved how the author gave us just enough on Ezzo and Ezana to leave us wanting more but not to much as to overshadow the two main characters. The only complaint I have is, Part 2 is not already available. All in all, I loved, loved, loved this book. Simply put, this was a well written book that I think anyone will enjoy. To my fellow readers 1 click you will not be disappointed and to the author please don't make us wait to long for part 2.

---

### **Jasmine Cole says**

loved it but the end tho whyyyyy

---

### **Chanda Anderson says**

#### **Confused**

I chose this rating because the writer failed to connect the dots in a way that would keep the reader intrigued. The characters are all over the place. When I read a book I want it to keep me speculating on what's going to happen next. There is also to many unnecessary filler characters, people that are mentioned but not introduced. Then the ending was super confusing and WHACK!! It left me confused not intrigued.

---

### **BEAUTIFUL MEEKA says**

#### **Wow**

That ending was unexpected. Jet Limits I like her she is one of those characters that would make you live them. Now this lets see how it plays out we already know Sonic is crazy. The flow of the story was amazing and I'm a true fan. I was hooked from page 1 all the way until the end. Can't wait to see what part 2 is about

---

### **Sabrina Winston says**

#### **Great read**

I don't leave many reviews but I had to for this book it was written beautifully. I feel the author captured the essence of each character wonderfully. Can't wait for part 2.

---

### **Kat says**

#### **The Love of an East Atlanta Boss**

A'Zayler has done it again. This was a really good story. I love Jet and Sonic Red. They are meant for each other especially after how they met. Can't wait to see what happens in part 2.

---

### **Robin Perryman says**

#### **Good Story**

This turned out to be really good. I wasn't into it at first but I got into it. Now I can't get enough of Jet & Sonic. I like them together but Sonic is too busy. He's a true ladies man and I can't see him being faithful. Now Esso seems interesting. I like his mentality. He's a thinker. The story is still young but I like it so far. I'm confused with how it ended so I have to find out what's going on.

---

### **Kris Danielle says**

I loved Sonic Red and Jet Limits! Can't wait til part 2

---

### **M4queen says**

#### **Good read**

Good read. Different in a good way. I can already tell Sonic Red and Rozay are going to get into it at some point. Hopefully Jett and Sonic can get it together. Can't wait for part 2.

---

### **Taz Will says**

Can you say snoozefest? This was sooooo boring the sense it made was none. Even the names, Jet Limits, and Sonic Red are just plain basic. Nothing about this was interesting and if it wasn't already free I would've returned it.

---

### **Tiffany says**

I wasn't that wrapped up in this book at first. It took me a while to like get into it. I wasn't bored, I just wasn't excited either. But I loved me some Esso and his way of thinking. He was the balance to all the crazy stuff that was happening. He always had some truth to spill. Hell I was highlighting some of his stuff on my kindle. LOL! Real is real and knowledge is knowledge. I laughed and cringed every time Sonic started counting, because I didn't know if he was gone calm down or start beating the shit out of someone.

I think the book picked up when he stumbled across Jet and later realized they had history. It was a fast friendship turned relationship. She was quick to turn hot when she felt disrespected and I liked that she kept Sonic on his toes. She refused to let him walk all over her and treat her any kind of way. But at the same time

she had this mystery man, and I'm waiting to see why she can't let this fool go.

So we are at the end and I am slowly getting into the book. My interest is beginning to peak a little more. But it's not until Jet is standing in the lobby of this Miami hotel with Sonic's boss that I knew something was about to pop off. But then the damn book ends...
