## California Connection 2 Chunichi Knott

Jewel used to be content with being a ride or die chick, playing Bonnie while the men in her life played Clyde. But now she realizes that it was her connections and street smarts that helped her man, Calico, rise to the top, and Jewel wants to be the one in control. She's tired of taking orders from men. She's willing to do anything to be queen of the streets, but when a deal she makes with the enemy comes back to haunt her, her dream is turned into a nightmare. Hopeless and struggling to keep her head above water, Jewel meets Misty, who seems to be her savior. They quickly form a bond, but when that bond is broken and the mist turns to rain, Jewel finds herself in the middle of a storm that she might not make it out of.

## **From Reader Review California Connection 2 for online ebook**

**~CharlieAngel~ says**

"We - be a family.  
I'm on my way home!"

---

**Chrissy says**

Omg third straight book that I read today, I'm definitely on a roll but I liked this just like part 1 but I can only imagine what's about to happen in part 3

---

**Christopher says**

Another interesting addition to the street lit genre by Chunichi. Like many of her books, we are introduced to many characters that receive their own respective chapters detailing life on the streets/drug game/stripper life. This is pretty much the same story Chunichi wrote about in her "Gangster's Girl" books. Yet, there is no one definite villan that readers can simultaneously loathe and root for. One distracting element of those books was the unnecessary inclusion of explicit sex scenes both heterosexual and lesbian that seemed very out of place in the narrative. She refrains from that for the most part in this book (but still includes some for good measure). Even though it was typical street lit cliché, I was still entertained by the book. Hopefully, this is the end of the "California Connection" series and Chunichi can put her talents to good use and create another street lit book unlike the previous ones she's already written.

**Diane Wallace says**

wow!! loved it and couldn't wait for this follow up

---

**Nikki Primas says**

Loved it!!!! I knew who Misty was from the beginning. I can't wait to read The California Saga. Twist and turns I love it!

---

**Tasha Milteer says**

Chunichi did it again. Great read, on to part 3!

---

**Kimme Khalid says**

everything was good except the ending i wanted to know more

---

**Eva Leger says**

3.5 - pretty good sequel to California Connection. There were a few minor complaints I had but all were fairly minor and I easily got past them. Chunichi did a good job - as expected. Not sure if there will be a third from the ending - could go either way.

---

**JazzyRacquel says**

♥ GREAT BOOK ♥

---

**Belinda says**

The saga continues with Jewel and Touch. Dirty Sasha got what she was due death.

---

**LaTonya says**

This was a quick read. I thought this book was good and very interesting. I think the first book was better, but this was a pretty good sequel. I'm looking forward to reading the third installment of the series.

---

**Crissy says**

I wished these stories were longer because I'm devouring them like there's no tomorrow. No one is safe in these streets. Everyone is so set on being the top player in the game that they fail to see the devil in disguise and it's taking them out one by one. I can't wait to read the next book to see what happens next. The cliffhanger ending in this book definitely leaves readers wanting more.

---

**Tamika L says**

must read

---

## **Lesa Divine says**

I read the first one. I just hated that it took so long for part 2 to come out because I had to go back to the first one to review what was going on that's how long it was since I read the first one.

I say it was just ok. All the action didn't start happening until way way at the end and from how it ended it looks like a part 3 just may pop up what probably a year from now also.

Chunichi is a good author I liked all the Gangsta books but, this one ummmm.

Well it's a continuing to Jewel, Touch and Sasha.

The first one leaves us thinking that Jewel was shoot by Sasha.

Well the second one starts you off with what else was going on before the New Years party.

So then Calico having beef with Touch and want him dead. Poppo having beef with Calico and want him dead so he can take over Calico's business and be the man.

Sasha wants everything that Jewel have even Touch and if she can't have him she tries her best to find someone to take him out.

Sasha up to her old tricks as always. Dogging everyone and having everyone looking to dead her.

Jewel becomes friends with a nurse name Misty that have other plans up her sleeves.

So it was a ok read not all exciting and full of drama. All the drama happens way at the end and it looks like it was rushed just to get the book over with.

But, I won't lie if there is a part 3 I will surely read it.

---

## **Ginnie says**

I gave this one 5 stars.

This one was just awesome! It was great so much betrayal, deceit, and backstabbing! It had so many twist and turns too. Things were happening that you wouldn't expect. Definitely a must read once you start you won't be able to put it down... Now on the the next installment :)
