Kissing Cousins Heaven J. Fox

~A short Novelette Teen Love Story, 7,755 (Word Count)

Nyla West was a freshmen at James Taylor High. When Chase Donovan, a six feet tall popular basketball player, says, "What's up?" to her in the hallway, it was love at first sight. Well, at least for Nyla anyways.

Just when things were getting hot and heavy, Nyla and Chase's mothers tell them they can't see each other anymore because they're cousins.

Chase refuses to fall for it and continues to pursue Nyla anyways. Nyla gets pregnant and her mother wants her to do the unthinkable but Nyla has her heart dead set against it. That is until she finds out that she's not the only one with child.

Rebecca says

Good read

This was a good book. It is one I think all young ladies should read then have a discussion with there mom afterwards. Nyla was like any other young girl that has their first love. I enjoyed this book and would highly recommend it.

Clifton Sims says

It's cool

It was a coo story,crazy outcome I wanna see what's gonna happen with the cutest guy on campus now I need more

Straight To The Point

Great book to give adolescents girls going through hormonal changes and thinking they're experiencing true love while sacrificing themselves. Short but with all of the details necessary to make a point.

A good story and cautionary tale for young girls...Moms know best. She should have listened to her mom.

I don't want to spoil the story, but I think the young woman should have owned up to her mistakes and responsibilities and kept her child. Sorry, but I didn't agree with the abortion.

Broiny Elis says

Could've been better!

The book was OK, but it seemed really rushed. Also, it didn't have a lot of depth. It really could've been better.

Avverrecia Turner says

Good read

This story had a very good storyline but I wish it was longer. More teenagers need to read this book. If a guy ask you to do something that will cause you to do something wrong he's no good for you.

Tamara says

This is was an ok read, I just wish it was a little longer. The author touched on, how kids think they know better than the parent but, in reality they don't. There were two parents trying to protect hearts from being broken. Nyla though that Chase loved her but, he proved her thoughts wrong. I actually felt sorry for Nyla at one point. it took some years but, Nyla was able to realize that Chase doing her the way he did, was for the best. Chase has a wife, kids, and they were still living with his mom.

Nice Teen Novella

I didn't know this was a teen novel when I started reading it. It was a cute novella that I would give to a niece or granddaughter. Wish there was a little more to the story.

Yvette Waite says

Excellent read and cute story. More young adults should read this so it can be a lesson for them

LEVON LAWRENCE says

Good

Good but very short. Gave me something to read the last hour of work. Wish it was more to this story

Donica James-edgerton says

Wow that shit was crazy.I have seen that happen a couple of time lol.Well I'm glad her life turned out better.Cant wait for part two

Brianna says

Ehhhhh

This book was not what I thought it would be from reading the title it was okay not great okay

June Montgomery-Lewis says

Entertaining

This is a good short story for teenagers. There's a definite lesson in this story that I wish to share with all youth. It was entertaining and a quick fun read

Tashia says

Bizarre twist in the end. An okay read. Reminded me of myself when I was younger.
