What do you do when your life takes an unexpected turn for the worse? Where can you turn when everything you have worked for comes crashing down and your title no longer serves as your identity?

In Licensed to Live, Doctor Jarret offers sound advice to aid those who, like him, have been under attack from medical boards, certification agencies, hospital systems, legal systems, or the public at large. From insightful coaching on how to handle the initial assault upon your character to proven tools for effectively resetting your life, Doctor Jarret will help you turn your tragedy into triumph, no matter your occupation.

If you are going through a battle—legal or otherwise—Doctor Jarret will challenge and inspire you to persevere through each stage of transition. Filled with thought-provoking questions and sage advice, Licensed to Live provides you with a step-by-step roadmap for making your greatest comeback.
