Have you ever worked your way to the top, only to feel like your entire world is crashing down? Chevron has everything he has ever wanted and more. With his wife Roxie by his side, he is confident that he's a few moves away from making them Cleveland's next power couple. There's only one problem, Roxie is naïve to the street life and unknowingly puts him in a position to choose between his wife and the game he plays so well. There's no question where his loyalty lies. His heart is with Roxie, but just as soon as he overcomes one obstacle, another one presents itself. Jonah puts him in a bind that's almost impossible to get out of. It's a daunting task, but he's determined to reign supreme. After all, he is an East Cleveland Bully.

Cicely is a battered mess when she arrives at the hospital. Jonah stays by her side despite his ill-feelings toward her. He wants the person responsible to pay and plans to administer justice himself. It turns into a cat-and-mouse game as he searches high and low for Romaine. In the process, he gets closer to Cicely and struggles with his conflicting heart.

Ambria is on a mission to better herself. Tired of seeing someone else raise her child, she strives to be a better woman. The backlash from her mother causes problems between her and Roxie. She lets the conflict fester, creating animosity between the two sisters. Refusing to give in, she focuses her time and attention on the one person she can't seem to take her mind off of – Jaren. Unbeknownst to him, Ambria has been keeping a secret that will impact his life forever.

Everything is all fun and games until it's time to get down and dirty. There's no room for error in the unforgiving Cleveland streets. While some prosper, others learn the hard way. Find out how it all plays out for the characters in Married to an East Cleveland Bully 2.

Gilly says

Great!

I waited and waited and I was not disappointed. Great job! Poor Cicely, she can't get a break from Ro. He needs to be dealt with ASAP. Jaren needs to get his act together. Roxanne, poor Roxanne, don't know what she will do when she gets that news. I love how Roxanne and Chev's relationship is growing. Love them! Drama, drama, drama! Hopefully part three will take a shorter time to be released...I pray that no curveballs come the author's way. Great job!

Colecia Johnson says

Amazing Read

This book was amazing! Ro needs to go and I'm sure Jonah and Chev are gonna see to that. Roxie needs to jus give Regina a beating that Diana should have! I'm glad Ambria finally stood up for her self against her crazy ass momma. Can't wait for part 3

Shonta says

Good

Well after waiting forever for book two now we have to wait hopefully not forever for book three. I really like Roxie and I'm happy she's standing up for herself. Chev is bad... I like him and Roxie together. I like Jonah and can't wait to see if act a fool in book two. I don't won't Cicely with Jonah, she so stupid ughhhh. I can't wait to see what happens next... I hope it ends with book three.

Cicely

It's about to go down! Ish done got real! I'm so sick of Ro he has got to go! Imma need for Cicely to use her head! She doesn't think before she acts! That's why she can't catch a break. I'm still on the fence with Jaren and Ambria. Roxie should have helped then cut her off! Rebecca is to much for me she would've had to catch these hands. Chev is still that man.

Ethel M. says

Loved it

The bully series has be all in paradise. I cannot wait for the next installment. Roxie is living life and loving it's I know Ambria is growing and learning so glad they stood up to a Regina azz. Now let's get some more chaos with a Cecily and Ro oh low budget retarded behind ?

Jeanida Luckie-Weatherall says

This series gets better and better. Picked right up where the last installment left off. Loved it from beginning to the very end and what a ended. Poor Cicely can't catch a break all cause of Ro. I'm so sick of Ro and all his devious ways and actions. I can't wait for him to get what he deserves and he needs to suffer badly. Trent don't realize what's about the happen to him cause of Ro and I think he had something to do with Diana, Roxie mom. I was so glad that Roxie finally let Regina have it, being with Chev she's found her voice. I know with everything that happen towards to end of this book, the next installment if gonna be off the chain. I can't what to see what happens next. Job well done Keisha Elle.

Raquel Rodriguez says

I hate Ro

I hope Jonah gets Ro and saves Cicely .. That poor girls been thru enough. Poor Roxie When she finds about her mom.. I think Jaren is going to string Ambria along and stay with the fiance we'll see patiently waiting for part 3

LaVida Bullock says

I love this series so far

Please hurry up with part the 3! Jonah is going to flip!!!!!!!!!!!! I just hope he believes that Cicely didn't set him up! I feel for Roxie, the way her mom was found, this is going to break her ?! Please I need part 3!!!!

Alfreda Hatton says

♥♥♥

I love Roxie and Chev together. I hope everything works out for them and Chev is able to be there for her when she finds out about her mom. Jonah got on my nerves being stupid and careless. He should've been moved the work. If he was going to have Cicely stalking with him, he should have moved anyway toooooo keep her protected. Great book. Can't wait for part 3!

Denasha Smith says

Wow

So everything just escalated really quickly. Ro just keep digging a bigger hole for himself. I really hope Roxie can bounce back from this loss. Ambria better open her eyes to game and not fall for it.

Pam Smith says

Drama!!!!

Wow what can I say this book was very entertaining. I enjoyed this whole book and the book before this one the series is HOT!!!! This is my second book by this author and I am not disappointed I will definitely be reading part 3 and future books by this author. GREAT JOB!!!

Alnisa Lawton says

Too many story lines

Just too much going on. It's as if the main characters were sent to the waste line and made an afterthought. And Chev's character is not fully developed as him being a rich boss.

Messerette C Spencer says

Wooooow

I can't wait for part 3. It's time for that lowdown demon Ro to get just his coward self needs, and I hope Ceiely is the one that gives it to him. That old dumb no lotus wear Seirene makes my dad itch. Chev and Johtan need to hurry up and handle that sneaky Erenesto because he is clearly up to something.
