### **Vinton Bayne says**

Some really good, some really bad. This was a pretty mixed issue for me. I loved all of the resistance stuff and rolled my eyes at all the Cap stuff (both versions).

### **Jedi JC Daquis says**

I'm just glad that Secret Empire is near its end. What really does this series achieve? I don't know really. All the issues has been a roller coaster mess of uninspired narration and generic story. It's a Marvelfest of heroes and villains (who are actively involved in the MCU) that delivers nothing but kicks and punches.
