## **To Hope Carolyn Brown**

A previous winner of the Professional Bull Riders' gold belt buckle, Jodie Cahill plans to ride again. But fate intervenes in the form of a broken wrist, and keeps her from winning another buckle. When the CEO of the PBR offers her a three-month tour on the circuit working as a judge and traveling with a combination newspaper/magazine reporter/novelist, she takes the job. James Moses Crowe jumps at the chance to travel with Jodie Cahill. For years he's been trying to get her off his mind and out of his heart. Now he has the opportunity to do both. It doesn't work. In the course of the trip, they both have to face their own feelings and wonder if, in the end, they will bless or curse the broken road that caused them to run smack into each other.

### **Kelly says**

Okay, I don't know why but I love this series. It of course falls into silly romance novels but the main women are badass southern girls, so I guess that makes it better than most. I have been reading this series all out of order but they are quick fun reads.

---

### **Paula Bothwell says**

PG - language (lots of "God" words), no sex, some kissing

I am hooked on these Broken Roads romance books. I have finally finished the series, of which any are stand alone, and I like them very much. This is the last book, and it tied all the others up in the epilogue, so I would recommend to read it last. I like how the women are strong, but not obnoxious, and the Heroes are hunky and smart but not stereotypical.

---

### **Brenda Sorrells says**

#### **Spectacular**

I loved this book. It was a great read and I could hardly put it down. I have read a lot of her books ,this was one of my favorites.

---

### **LAURA MILLS says**

#### **A western romance**

A great western romance  
I  
I liked this book as well as the rest of the series I hope there will be more books in the series

---

### **Amanda says**

#### **Loved it**

All of the books in this series were a great read!!! Each one had a great story!! I would definitely recommend them

---

**ksstannard says****There's something in the water in Sulphur, OK**

Get ready for hard headed women, stubborn men and the queens of Sulphur. Every story in this broken roads series is a delight.

---

**patricia vinciguerra says****Wonderful**

This book is a wonderful read. The whole 5 books tell a wonderful story. The author has the ability to pull the reader in.

---

**Karen Graham says****Great read...**

Love books that you can not predict the next chapter's event..... Right book at the right time...to just enjoy!

---

**Martha J Nelson says**

**If I could give this book more than five stars I certainly would. It's a book that you will never forget. My many thanks to Carolyn Brown for bringing such joy and pleasure into my lifetime. I certainly was**

A Seven Star rating at least. I will be telling everyone I know and meet in the future what a wonderful writer and story teller Carolyn Brown is.

---

**sharon mitchell says****Good read**

Love the family connection in this series of books. I wish there were more of them. I'm going to miss them.

---

**Mikie says****Great**

Great series....really enjoyed it.

Will be looking for another series....easy reads. Perfect when you are needing something lite to read.

---

### **Linda says**

#### **Terrific!**

This was a terrific book, the story is great and the characters were well-written. This is the love story of Jimmy and Jodie. Of the secrets and history they had to deal with before they find each other. I've loved all the "Broken Road" books and certainly recommend them.

---

### **Lauren says**

I loved the first book in this series, but I have enjoyed each book less than the one before it. This is a series about a group of women in Sulpher meeting their match. However they all speak about a Rascal Flatts song, and each one harps on it more and more. I find it hard to believe that everyone in this town loves and cherishes this song and lives by it. It just seemed like a really bad push of the authors favorite song. It just about made me ill by this book. In this book we follow Jodie, who has been stalked by the male lead since they were children. The whole basis was creepy, she should have been pressing charges, not saying how sweet it was and marrying him. I think this book gives the wrong impression of what women should do. There is nothing sweet about a man who stalks you, lies about it, creates a fake name, and then gets caught in the lie and comes clean.

---

### **Donavon Barker says**

#### **Great read**

Love all her books great rainy day read enjoyed the characters and little towns and how the talk with Southern accents

---

### **Michele Boyette says**

#### **Great read!**

This book lives up to my expectations of Carolyn Browns witty and romantic writing style! I could not put it down!
